

WATERLINES

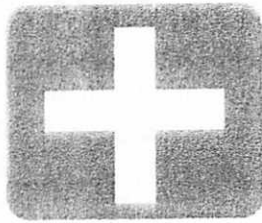

UPDATE

- SPRING 1996

Editorial

Over the past few months there have been a few changes in the group, and there are even more pleas for help, so this Waterlines Update is to bring to your attention any important information and to see if there is anything that you can help with. Also included is a list of useful dates for 1996, as people always complain that they do not get enough notice of important events.

Stephen White

First Aid Kit

The first aid kit has been sorted out, should there be any complaints about it please contact me. If any of the equipment in it is used please enter the accident in the accident book in the first aid box. This will make the task of replacing the contents easier. All accidents should be recorded anyway in case of complications.

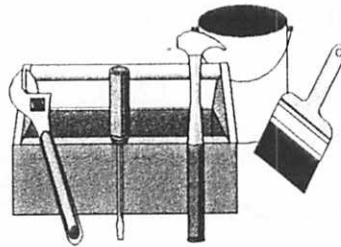

Stephen White

Quartermaster

James Bennett has now taken over the post of Group Quartermaster, so if anyone wants to use equipment from the store please contact him (on 01425 655909).

The Scouts in The Valley of the Rocks, during summer camp in Devon last year -summer camps are just some of the many things to look forward to in 1996.

H.Q.

Maintenance

As I am sure you have noticed our hut needs more than a lick of paint, and this is mainly due to a lack of volunteers to help - if you have any "skills" (for example, plumbing!) please offer your services to Robin Brand (01425) 655559.

100 Club?

Our '100 Club' does not have 100 members, so there are always spaces for new people to fill - further information will be distributed soon.

Group Subs

Group Subs for 1996 are now due, you will receive a letter shortly - please pay promptly as a substantial amount has to be forwarded to Headquarters for insurance, etc.

Tee/Sweat Shirts

A new batch of Tee and Sweat shirts will be ordered shortly. The tee-shirts are white with a navy blue motif and the sweat shirts are navy blue with a white motif. They are both available in a range of sizes. Sweat shirts must be ordered, please contact Ros White with your name and the sizes required.

The prices are as follows:

Sweat-shirts:	Childs	£5.00
	Adults	£8.00
Tee-shirts:	Childs	£2.50
	Adults	£4.50

Leader, please!

The Smith family are moving to Australia (I bet you didn't know the Scouts were that bad!), and this means that we urgently need a female helper for the Scouts Section - the Scouts aren't really that bad, and as all leaders will tell you: "It's only 2 hours a week!"

HQ Cleaning

Ideally the hut needs to be swept at least once a week, as at present section leaders often get left to do it - would anybody prepared to join the rota please contact Ros White (01425) 654025.

Fund Raising

Unfortunately events like the annual flea market don't just happen, and it is our Fund Raising Committee who knuckle down to do it. The committee could do with a few more members. If anyone could help, please contact Maggie Dobbs on (01425) 653689.

Car Parking

Our car parking area to the side of the hut has been re-surfaced, so please could people use it. DO NOT block the any of the access roads.

Cubs & Beavers

Please could parents bring boys into the hut before meetings and then collect them from inside it afterwards - the car parking facilities are not ideal and cubs or beavers wandering aimlessly across it do not help.
